

BICYCLE RACING OPENS AT SAUCER

Providing the Clerk of the Weather Gets Over His "Grouch."

FASTEST PEDALLERS IN GAME ARE HERE

Splendid Programme Arranged for Decoration Night at the Salt Palace.

Despite the bad weather of Tuesday the bicycle riders had a strenuous workout on the track and are in fine shape for the opening of the season at the saucer track this evening.

Opening at 8:15.

The events are to be started at 8:15 o'clock and the amateurs will be the first to inaugurate the proceedings. Among those who will take part are Weiser, McCormick, West, McLaughlin, Frank Schnell, Burrows, Bird, McManis, Mayhoffer, Richardson, Snow, J. B. Smith and Nadel.

In the professional list are N. C. Hopper, Gunn, Clem Turville, Eddie Smith, Jack Burns, Iver Rodman, Liver Lawson, Billy Samuelsen, Phil Farnham, Saxon Williams, Bill Hewitt, Pedlar, Palmer, Walter Bardgett, Wilcox, Fred McFarland, F. J. Best, Harold A. Achorn, Hardy Downing and S. H. Wilcox.

E. Pye and A. F. Clark, the Australian riders, will also be in the bunch of speedsters. Don't overlook Wilcox in the middle-distance races, as the recently turned "pro" is going some.

Great List of Riders.

Glance over the bicycle "dope" book and ask yourself if there was ever such a fast and famous bunch of world-renowned cyclists gathered together for a season's racing as is already started at the Salt Palace saucer track.

Best Cycling in the World.

It is the greatest "coup" in the history of the sport, and Salt Lake will soon appreciate the tremendous efforts of the management in corraling such a number of the stars in the cycling constellation to locate in this part of the country.

If the weather man is at all lenient the seating capacity of the saucer track will be totally inadequate to accommodate the lovers of clean cycle racing.

Tonight's Programme.

One-mile open professional race.
Five-mile lap race, professional.
Half-mile handicap, amateur.
One-mile open, amateur.
Bennie Monroe will go after the record for one mile behind pace.

LEAGUE MEETING HELD.

Ball Directors Shift Schedule and Have Enjoyable "Smoker."

No matter what the weather conditions are, the Salt Lake ball team will go to the miners. Hall is touted for the chief of the "bring line," and Rush will probably pitch for Eureka.

A meeting of the directors of the league was held at President Harrison O. Shepard's office last night, at which some minor changes in the schedule of games were made and the revised list will be issued during the latter part of the week after the officials have put their "John Henry" to it. The only change is in the shifting of Saturday and Sunday games to Sunday and Monday for the dates in the coming camps. This will give more games to Salt Lake.

The Western case went by the board, as did also the protest on the Park City Salt Lake game. Among those present at the meeting were "Councilmen" Bratz and Glimin of Ogden, Messers Thompson, Rinkley and Dubel, representing Eureka, Park City and Salt Lake. Tea was served and everybody had an enjoyable evening.

GUN CLUB SHOOT.

Blue Rock Breakers Have Fine Programme Framed Up.

The members of the Salt Lake Gun Club have prepared for a big shoot today at which the crack gunners who have recently returned from the matches in Idaho and Montana will take part, including Shewell, Collier, Parker and others.

Road Race Declared Off.

Owing to the rainy weather and the muddy condition of the course from here to the Laguna, the road race scheduled for today and the annual Decoration day road race, off and assigned it to be held next Saturday. Entries are in and the prizes will remain as already published in The Tribune.

In the meantime efforts will be made to secure additional prizes for the time winners, and if it only will prove a case of "Down Where the Sun Shines, Nellie," the meet will prove the most successful that has ever been held.

'Varsity Ball Team Dressed Up.

On Saturday next, June 2, the University basketball team will be in action here to play the University of Idaho. A good-sized crowd of University students will visit the resort on that day and take in the game. The team will be the first in which the collegians have played in their new toga.

LEGAL ACTION WILL BE TAKEN ON THE PROJECT

Thousands of Followers of the Sport Will Push Case to a Decision.

PHILADELPHIA, May 29.—The twenty-round fight between Bob Fitzsimmons and Tommy Burns which was to have taken place tonight before the Tuxedo Athletic club at North Eastington, ten miles from this city, has been postponed until Wednesday next week, as a result of the order issued by the Governor of Pennsylvania to the state constabulary to prevent the bout. The officials of the club will at once take legal action with a view of holding the fight on the new date.

It was announced today after Capt. John C. Grooms, Superintendent of the State Police, has assured the club managers that he intended to carry out the letter of the order, that the fight will be postponed.

A detachment of troops of the state police, about twenty men, arrived at North Eastington from their barracks at Reading late this afternoon, and the fight was postponed, as the club had called off the fight before they arrived. They were not mounted, but each man was armed and carried about 100 rounds of ammunition.

The postponement of the fight was a great disappointment to thousands of followers of the sport, many of whom had come from other parts of the state to see the bout. Fitzsimmons and Burns arrived at North Eastington today, and each was in fine fettle for the fight. Their managers criticized the authorities for taking the fight off the south coast, as they thought that great expense in preparing for the contest.

CHINESE ARE LOSERS

Many Certificates of Residence Destroyed in the 'Frisco Fire.

SAN FRANCISCO, May 29.—Chinese residents who were burned out during the recent fire will sustain a still further loss, it is said, that may reach as high as \$50,000 or \$60,000. They must obtain from the Government at Washington duplicate certificates of legal residence in the United States.

About 600 of the certificates were destroyed, according to an estimate made by officials of the Chinese bureau. Their loss falls on the Chinese alone, as upon them rests the necessity, when occasion may arise, of proving a right to remain here. Without his certificate, a Chinaman belonging to the excluded classes would be subject to deportation at any time.

Everybody Busy.

Painters and paper-hangers are at work again and we are prepared to execute promptly all orders for painting and papering. Chas. H. Bodell, 33-35 East First South.
